RE: Civil Action No. 1:15-cv-00291-WWC: Long Term Control Plan

To Plaintiffs, Civil Action No. 1:15-cv-00291-WWC:

Capital Region Water appreciated the opportunity to meet with USEPA and PADEP to discuss the concerns the agencies expressed in your July 6, 2018 comment letter. We felt the opportunity to discuss your larger issues with our City Beautiful H₂O Program Plan in person was beneficial for all parties.

We are confirming with this letter that it was stated by USEPA that the meeting itself, held on August 7, 2018, fulfills Capital Region Water's obligation to respond to the comments within forty-five days.

With this letter Capital Region Water is providing an overview of CRW's initial 5-year plan and supplemental information to the City Beautiful H₂O Program Plan. Per the Partial Consent Decree submission requirements, we include with this cover letter a hard copy of Supplement No. 1 to City Beautiful H₂O Program Plan.

Please contact me directly to discuss any question or concerns you may have.

Sincerely yours,
